

ELECTRONIC DEVICES CAN INDICATE OUR LOCATION IN REAL TIME...

HAVE YOU THOUGHT ABOUT SECURING YOUR DEVICES?

- ✓ Disable the geolocation function on your mobile devices and social media accounts.
- ✓ Protect your devices and online accounts by regularly changing passwords.
- ✓ Pay attention to what you write and post on social media platforms.
- ✓ Adjust the privacy settings of your social media accounts and block unwanted people.
- ✓ Raise the awareness of children and those around you about the safe use of social media platforms, video games and smartphone technology.

PROTECT YOUR PRIVACY AND COMMUNICATE IN COMPLETE SAFETY
